Cable Ready Plus A

If you have a cable box, you know the pain it can cause when you're trying to record a show and wutch architect—you couldn't bit "unfulnow" You see, cable boxes receive the incoming signal and hold did so it acts as the only tuner in the system—your VCR's tuner becomes obsolete. The Cable Ready Plus so flacts as the only tore in the Sistem—Your Nort's think decordes obsolete. The Cable Head, Has build ne signar through from your dathe box to voor VCR's thinking source freeing up your VCR's turned as each to use in a show on your VCR's turned to what in The same goes for when you leave the house. Set the VCR to recovarion the flared Station on your cable.
